It was great seeing everyone at leadership! For those that weren’t able to attend, your presence was missed. We had a lovely time in Bremen, Georgia. Sewell Mill is an amazing venue; full of history, yet contained modern amenities, not to mention the food was amazing! Since the last time we were there, Sewell Mill has really flourished. So, a big thank you to Alpha Delta for hosting our Leadership/ Fall Meeting. It was wonderful, down to the fresh cut flowers and “family trees” placed around the meeting rooms; no detail was missed!

Susan McVey, Leadership Coordinator Extraordinaire, along with Tonya Murphy, Leadership Co-Ninja, from Sigma Chi Chapter, gave us a wonderful day of crafts, personality tests, and Tai Chi. All of the activities we did focused on everyone getting to know themselves, and each other, better; it was truly a “Family Reunion”.

We started our day sitting with our birthday month table. It was a brilliant way for everyone to branch out from their own Chapter members and talking to other members. It was so much fun to see who shares a birthday month with me, as well as, how much we are all alike (& yes, I am talking to the November baby table). As instructed, Susan had everyone find “7 Things in Common” about their neighbor. This was a great opportunity to see how much we all had in common! For example, me and my partner, Darlene James, found out that we both think “grandkids are better than kids”, we both love dogs, chocolate, and traveling.

Susan, then, had us all take a “Personality Test”; where we later found out, in our membership, who would be a Robin, Duck, Owl, or a Rooster; as well as, what each personality type represented. The main thing we learned about our Georgia members was what “ruffled their feathers” and “what gave them flight”, based on their bird type. Susan and Tonya even made necklaces for each bird so we could see who was what bird. Throughout the day, someone would make their bird noise and the others in their group would answer back; it was so much fun! Whootie Who......

Tonya got us all in a crafty mood, with all of us making pumpkins out of toilet paper. Not only did everyone have an amazing time making their pumpkins, but they were super easy to make and looked great! I definitely plan on making this pumpkin again, maybe at a “Choctober Rush Party for ESA“! There really is something to making a craft yourself to decorate your house; it’s just so much more personal, I love it. (My husband didn’t believe that there was a roll of TP in the middle of my pumpkin; I had to show him☺)

Phyllis Head from Tanner Hospital, came in and showed us how to engage our core, to avoid falling, and to find our “Chi” and balance with Tai Chi. Everyone was shown how to breathe and stand along with some fun little Tai Chi moves, so we can practice at home for balance. We should always look for new ways to improve our mind and body; and Phyllis really made it easy to follow along. Tai Chi is a form of Chinese martial arts, it is a meditative exercise which uses slow, deliberate movements, positions, and stretches to strengthen your body’s balance. I do believe we all need a little more Tai Chi in our lives. And no, it’s not a drink...
Susan and Tonya finished our Leadership Fun Day with an art project that got our minds out of the “Chi” and back in to the arts with a “Patriotic Wreath”. As well as the other projects we did, this wreath was just as fun, easy to make, and so beautiful. I say this as I am currently showcasing mine on a door in my home, for all to see. Susan and Tonya did an outstanding job all day; every time I thought, “what could they do to top this?” they delivered. Each activity was mindfully thought out to show us more about ourselves and each other.

Continuously peeling away layers, like an onion. We are all so much more than what we seem; and each activity they chose for us was a great way to highlight that, in each member. I can’t thank them enough for all of their hard work! This really was a wonderful day and it was seamless.

Once Leadership was done, the Alpha Beta members took over with a “Beans and Bingo” social/ fundraiser for our GSC Convention. For me, it was my first time announcing the B-I-N-G-O numbers AND it was also my last. A job in Bingo is not in the cards for me. Ha-ha… it really is harder than it looks! It was fun though. Not only was Bingo a lot of fun, but the beans were amazing! So, I guess you could say that everyone was a winner! We had a selection of Pinto, Navy with Rib meat, and black-eyed peas, with homemade buttermilk cornbread. My mouth was watering just thinking about it as I typed it; so needless to say, dinner was wonderful! Personally, it’s one of my favorite meals, and man, does Alpha Beta really know how to cook! They did such an amazing job and I really appreciated everyone who participated.

We have such a special crowd of folks in Georgia and I just didn’t want the day to end. We had our Fall Board Meeting on Sunday and got the business of ESA done. (And made a little $$$ for Easter Seals in the process - $275.24 worth – Way to gooooo Georgia!!!) Darlene James, our Easterseals Chairman gave everyone who participated in the Easterseals project a cool mat. Some were seasonal and some were welcoming. What a great idea to share the love of Easterseals with the membership and to get people excited to participate.

Darlene has issued a challenge for us to keep collecting for Easterseals until our Mid-Year meeting. Challenge accepted Darlene.

Our Hope for Heroes Chairman, Ruth Ann Edge reminded us that at our Mid-Year meeting she will be collecting white tube socks and travel size toiletries for our philanthropy project for the military. So, be sure to collect them and come in February.

As you can see, the Georgia State Council is just as you thought… STINKING AMAZING!!! If you weren’t able to make it to Fall Board, I hope this run down of our weekend made you feel like you were.

I want to take a moment and say “Thank You” for this incredible opportunity to serve the best group of people! You are talented, clever, funny, kind and devoted to a better world. Not only am I so honored to serve in this position, but I CAN NOT wait to see what’s in store! I just love all of it and all of you!

OMEGA PHI #5612
CHARTERING & JEWEL PIN CEREMONY
OCTOBER 17, 2019

From Debbie Glore:

Romanda Talley, Vicki Warren and I attended the Chartering and Jewel Pin Ceremony of a NEW GEORGIA ESA CHAPTER last week!

OMEGA PHI, #5612 located in Flowery Branch, held their ceremony at the Flowery Branch United Methodist Church on Thursday, October 17th. Marion Hunter, Faye Gillin, Emma Bowling and Jennie Modesitt are former members who decided to "regroup". They invited a few friends and chartered a new chapter!

Not only were the three of us excited to share this special night with them, we were honored when asked to participate in the program. Marion Hunter, their new president did an outstanding job planning the events of the evening and the decorations. Sadly, a few of their members weren't able to attend, so the photo's are missing a few of their 11 members. Their chapter is enthusiastic and plans to hold another pinning ceremony soon for these members.
Following the ceremony, we socialized in the fellowship hall and used the time to also provide details about our Mid-Year meeting in February and other information about our state council.

These are exciting times for our ESA Family. ESA sisters and brothers, I am asking each of you to send our new chapter a Welcome card.

Double, Double Toil & Trouble...!

Special Thanks to the wonderful Chapters who shared their favorite 🎃 Halloween or Rush memories.

Venetia Lewallen - **Alpha Beta**

The October Alpha-B meetings are fun ones. Our meeting in 2013 was at my house and instead of costumes, we all wore wacky hats.

Good times, when we all get together... and it doesn’t hurt to add some ‘Vampire Tea’.

** Two of our members were not at the meeting. However, they posed in their hats afterwards, and were photo-shopped into the picture.

Can you spot who they are? 😊

Betsy Briamonte - **Beta Theta**... a Chapter update

Hi my double trouble is I have gone MAL but I will still try to come to the functions. I really loved my chapter but there is no one but me and I know I do not have it in me to honestly start another one, so I will visit my friends hopefully 3 times a year.

Betsy
“Reunion” Rush

Delta Nu invited all former inactive members as well as prospective members to our September “Reunion” Rush Meeting for food, fun, and fellowship. We welcomed our guests with a table set up with our main philanthropic projects, St. Jude, Hope for Heroes, and Domestic Violence. We had information on each project and were there to explain how our chapter supports and ways that we volunteer for each.

President, Vicki Warren welcomed everyone. Mary Cooper gave the Inspiration. Debbie Glore had us do an activity to introduce each other and tell things about ourselves. Debbie then reviewed our Chapter information, financial commitments, and our calendar with those present. We then played several games of ESA Bingo. Food and Fellowship followed with Door Prizes awarded. Membership was offered and we are proud to say that we have 2 members that have re-instated their membership. Pat Miolen and Linda Reynolds. So Delta Nu now has 5 members. We hope to add more members in the near future. Attached are pictures of our tables we set up prior to the meeting. We were so caught up in the meeting we failed to get pictures during the meeting or of our 2 new members, but we will get those in future newsletters.

Welcome back Pat and Linda!
Luanne Langmo - Gamma Omega

Racking my brains to come up with a rush or Halloween party. But thinking outside the box ... in Michigan our chapter hosted a Halloween Party through The Rainbow Connection (something like a Make-A-Wish for local children). I made a clown costume complete with pompom buttons, baggy wild jumpsuit and had a shiny red nose. It didn't seem like the kids were having much fun until we put on some music that they could dance to. I grabbed the first kid and went whirring around the room encouraging others to follow. Everyone got up and started dancing, changing partners and all in all had a great time. Some of my chapter sisters didn't even know that was me in the clown costume. Sometimes when you’re incognito all inhibitions fall by the wayside and you find you really do have a great deal of silly.

Rush Party

Thanks to all of our sisters, we had a fabulous Chili Rush Party. Thank you Monette for bringing a perspective pledge to see first hand that our Kappa Rho Sorority really knows how to have fun. Please email her a copy of the photo. A party is only great as it's participants. I must confess that I'm a little pooped, but it was well worth it. My husband Ray is such a huge help to me these trying days. Love y'all! 😘

Kappa Rho Rush Party with president Frances Lanier, members and pledge held on October 28, 2019. We are on our way to becoming a 3rd time repeat of "CHAPTER of the YEAR", and very proud of our accomplishments.

Fall Festival

Hi- the ladies of Omega Phi worked really hard at the Fall Festival, and we did fairly well, especially considering that we had only two weeks to prepare and pull it all together. It was a great experience for all of us!!! We learned a lot !!!

My husband, John and his friend, were invaluable workers along with a little help from the boy scouts - but John stayed the whole day with us and was available if we needed any help with anything.

Here are some pictures from the festival.

Setting up. Street View - our tent was first on the right on Main Street

I am starting to put together the Executive Board and the Appointed Board for 2020-21. Please be thinking about serving in one of the positions next year. I have already approached several who have agreed to serve next year in different positions but there are still a lot of vacancies left. If you have something that you would like to do, please let me know so I can get your name on my list. I know we are going to have a fabulous year next year. I can already feel the excitement. And know that no matter what capacity you serve, you have lots of help behind you. You will not be alone.

If I haven’t asked you yet, be on the lookout for me. I’m sure you will be asked to serve in some capacity or other so be ready to tell me what you want so I won’t have to search for something for you to do. LOL.

Venetia Lewallen
Scrapbook Chair

I know you all have cute pics from your Chapter meetings or events or even from Leadership. Please email a copy to me. I would like to have a page for each Chapter in the Scrapbook this year.

So, when you are laughing or admiring your chapter pictures, think about how good they would look in President Kim’s scrapbook.

Thanks, in advance…!
Venetia
Happy Fall to each of you. Yes, the weather has finally changed and we are out of the 90-degree days. Hope you are enjoying them as much as I have.

In this month’s article I want to visit with you about the ESA Foundation Scholarships. If you were at our Fall Council Meeting you heard that not all of the scholarships had applications, meaning that a great deal of money totaling $10,600 was left on the table because no one applied for those scholarship. The good news, however, is that a total of $270,100 was awarded to 168 deserving students.

If you have a high school senior or a grandchild or other relative that will be graduating next Spring, I urge you to tell them about the ESA Foundation Scholarships and ask them to go on line at www.epsilonsigmaalpha.org/scholarships to check out the requirements and then get the application process rolling. You can also apply for a scholarship if you are currently in college to help you further your studies. And, you can apply for more than one scholarship as long as you meet the requirements for each scholarship for which you apply.

As you may know, we have the Georgia State Council Endowment Scholarship and it is open only to Georgia residents. That gives Georgia students an edge. Won’t you help me get the word out to school counselors in your area. You can send them the link and they can go out to gather the information making their students aware of the opportunities from the ESA Foundation.

Thanks for your continued support of the ESA Foundation and the scholarship fund.

Pat Griffin
ESA Foundation State Counselor
Georgia family members, we need 2 volunteers to step up and take over the positions for the Awards Chairman & Awards Co-Chairman for this year. The previous appointees are not able to complete the year.

If you have done it before, then you know how exciting it is at convention to be part of the Awards celebration and hoopla.

If you have not done this yet, then please think about standing up and trying something new this year.

We need you.

Please contact President Kim.
