Madame Butterfly, Our President, says...

HAPPY VALENTINES DAY & COMING OUT OF OUR COCOON TIME

Well, February started on a sour note with very cold weather, ice and snow, and Punxsutawney Phil saw his shadow. Just what we wanted six more weeks of winter, Yah! I guess that ground hog will stay in his cocoon for another six weeks.

Coming out of my cocoon hasn't been smooth. On Sunday I decided I needed to at least get my hair into something not so embarrassing, but it didn't work out as I expected. I decided to use the curling iron to tame my hair, but the curling iron had other ideas. I noticed a burning smell and initially wondered if I'd left a candle burning and ignited some paper, but soon realized the scent resembled burning hair. Thank goodness I didn't have to go anywhere or see anyone. On Monday I was at the salon talking with my hairdresser about what to do. Sometimes bad things work out, and I like my new haircut.

I hope the new Service Reporting that ESAMC has developed will work out in a way that we will like. On February 2nd Philanthropic Chair, Susan Garner and I were on a Zoom Training Session on how the new reporting system for Philanthropic monies and hours reported to IC for awards will work. I won't try to explain the new system here, but Susan will be giving a presentation on the system at our Mid-Year Meeting. This is going to be a change for us, but we need to give it a try. We may find that we like the way it works. ESAMC had a training session on February 3rd for all the State St. Jude Coordinators, Easterseals Chairs, and Hope for Heroes Chairs on the new reporting system. I hope our Georgia Council St. Jude Coordinator, Easterseals, and Hope for Heroes Chairs were able to attend the Zoom Training Session.

Emmie Owens, SERC Finance Chair sent an email to all the SERC State Presidents requesting 2 yards of quilting fabric representing their state. Emmie will be quilting a quilt from this fabric to be auctioned at the 2026 SERC Conference in Kissimmee, Florida.

I sent two yards of quilting fabric representing Georgia.

On our February State President's Zoom call, SERC President told the State Presidents about a Four-Part Zoom session that is Lauren's offering to ESA. These sessions are free, but you do have to register. All the information about the sessions titled "Exploring Personal and Professional Skills to Enhance Well-Being" are in the SERC Newsletter on Page 5., the link for registering is there also. You can also register for the sessions on the SERC Facebook page. The dates for the sessions are Session 1, 2/4 at 5pm, Session 2, 3/4 at 5pm, Session 3, 4/8 at 5pm, Session 4, 5/6 at 5pm.

[SERC-Lauren Ryan Zoom sessions Link](#)

I hope you are reading the IC newsletter "Manifest" and the SERC newsletter "The Rainbow Connection". I am forwarding them to GSC membership as soon as I receive them. There is a lot of information in these publications.

Our **IC Representative** for the upcoming Georgia State Convention will be **Angie Butenschoen, IC 1st Vice President**

Angie Butenschoen,
106 Julie Lane, St. Peters MO 63376
email abutenschoen@gmail.com

Our **SERC Representative** will be **Sandy Fletcher, SERC Recording Secretary**

Sandy Fletcher
14366 Route E, Pineville MO 64856
email skgood66@yahoo.com

We need to send them an email or card welcoming them to our GSC Convention.

I want to thank all the chapters who have sent me information on what they have been doing, and planning to do in the spring.

Georgia chapters have been busy, and I am proud when I can report the outstanding work you are doing. IC President, Celeste Webb sent me an email congratulating Georgia on the work our chapters have been doing.

I know that some chapters have fundraisers coming up. Alpha Beta's Suncatcher's fundraiser for St. Jude had to be rescheduled because of bad weather. It will be held at the Teal Barn in Bremen, GA on Feb. 7th. I will be there and can't wait to learn to make a suncatcher and socialize with my ESA family.

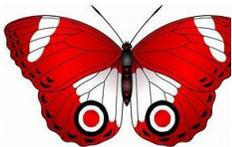

Alpha Delta will host their St. Jude fundraiser "Evening of Hope" at Sewell Mill, Bremen, GA on April 18, 2026. I attended last year's event and the food was great, and there were so many amazing items to bid on. I plan to attend again this year.

Be sure to read the Gamma Omega article. Those ladies have really been busy. They have done so much and have plans to do more. Their next fundraiser is a Shredding event on March 30, 2026.

Delta Iota is excited to host the Mid-Year Meeting on February 14, 2026. We look forward to seeing you there. If you haven't sent your registration yet, we will be happy to accept your late registration. Just contact Karen Smith, the event Registration Chair.

Gamma Omega's plans for our GSC Convention sound exciting. They are making "**Somewhere In Time**" a place you will want to visit. Be sure to get your registration form in. The dates are May 22-24, 2026, at Houndslake Country Club in Aiken, SC. The registration form is on the esageorgia.com website.

Until next time. Keep up all the great work you have been doing.

**Ruth Ann Edge
GSC President**

Mehmet Murat Ilan**

Butterflies Vibes from the Executive Board

Members are Asked to Stand Up

Hello and definitely sending warm wishes this winter.

I am looking for our volunteering members ...

- to stand up and be counted
- to try something new or step into a familiar job for 2026-2027
- to talk with your chapter and host or co-host a State Meeting for 2026-2027

AND ...

- to feel our ownership to making Georgia ESA continue on by filling one or two of the many Board openings
- to give it a whirl as I'm hoping for a fun-filled year in 2026-2027!

I have attached a spreadsheet with openings (*see below and following page*) and truly hope you feel the need to help, not just me, but all of Georgia ESA. Our lower member numbers mean, not only stepping up to do something, but consider multi-tasking by raising your hand. You would be welcome to join in the fun and rewards that I have planned to share.

Sharron Smoot
1st Vice President

Remember: Ex Board & Appointed Board members need to be Members in Good Standing with State & IC

Ex Bd Candidates - Please submit "Nomination Form" & Letter of Acceptance" to Sharon Smoot

Shedding a Chrysalis for New Projects

I think I prefer to be in my chrysalis today. It's really cold for Charleston and my external tankless hot water heater has frozen up – so no hot water. Hopefully the thaw is coming later today – I need a shower! But it's about time to come out of hibernation. Although it doesn't seem like it – spring is coming, and with-it new growth and a bright shiny puff of positive attitude. I'm for shaking off the dull and taking on new projects, and for me, that involves something techno and something creative. Happy Valentine's Day, dear friends. I hope to see you at Mid-Year.

Luanne Langmo,
Recording Secretary

Communicating with Small Gestures

Communication continues, as we begin to spread our wings again as we head into spring! President Ruth Ann and I have compiled and published two more newsletters. Thanks to each of you officers who have submitted articles and to Webmaster Gennie for her final touches. Being in the know with all the changes going on in the ESA world, we are fortunate to have a state president who is keeping up with all the going-ons and sharing them with our Council. Thanks, Ruth Ann!

As we conclude our GSC year, let's take a moment to share our sisterhood and brotherhood with others. Share a happy smile with those around you.

- Say thank you and explain why you are saying thank you.
- Send a note to someone you haven't seen in a while.
- Hold the door open for the person behind you.
- Give your friends a meaningful hug,
- Genuinely listen when you ask someone how they are.
- Appreciate something someone does for you that would go unnoticed.

Joy Lynn Tynes
Corresponding Secretary

Vouchers, please!

I hope everyone is staying warm!! We have had some cold winter days with ice and snow.

I know I am ready to get out and feel that sun on my face. I would like to remind everyone if you have vouchers, please get them to me as soon as you can. If you have any questions do not hesitate to call (803-944-7640) or email me at shgootee@yahoo.com). The voucher is attached at the end of this newsletter.

Sheryl Gootee
Treasurer

Reviewed and Revised

I hope you are all doing well, have electricity and are staying warm! From listening to the news there are still homes without electricity in various parts of Georgia! Hope you are not one of them! I don't have too much to share with you this month except that I have been busy finalizing the revisions of the Jaw-Ja Guide, the proposed Bylaw and Standing Rule changes. These have all been sent to the Executive Board and will be reviewed at our Executive Board meeting on Friday evening prior to our Midyear meeting on February 14th. What a job that I wouldn't wish on my worst enemy!!! I now understand why the Jaw-Ja Guide has not been totally updated in a number of years! Proposed changes will be presented to the membership at the appropriate meeting. Take care and I hope to see many of you at Midyear!

Gail Marchant
Parliamentarian

A Time to Give to Ourselves

The holidays are now behind us, and we have all begun a new year. It is fitting that President Ruth Ann has asked us to report on coming out of our cocoon and come alive with ESA. For me, my focus has not been totally on ESA as it is tax season. However, I am happy to report that I received another donation from one of our chapters. This is their second donation for the year. We still have only 4 of our 13 chapters that have sent in any donation for the Disaster Fund. I am hoping that the rest of our chapters will come out of their cocoons and submit a donation for the fund that helps us and our sisters if we need it. I do know that several chapters submit their donation nearer to the end of our ESA year but as a reminder, I will be at our upcoming Mid-year Meeting and will be happy to accept your donations at that time. I realize that the IC Disaster Fund shows a sizable balance on hand. However, we do not know when the next disaster will strike or how bad it could be. Our sisters in SERC states are still recovering from the ice/ snow storms and we have no idea of what they may need. We still have nearly two months of winter ahead of us. I had asked at the beginning of this ESA year for each member to consider donating just \$5 a month to the Disaster Fund. As we are near the end of this ESA year, I am asking each of you to donate what you can as every dollar counts.

Susie Knudson
Jr. Past President/Disaster Fund Chair

**On the Wings of our Butterflies
from our Appointed Officers**

It's Almost Time! Don't be late!

It is quickly approaching "that" time of the year when you should gather your time, miles, and monies pertaining to all the good deeds you have done since April 1st of last year. Hopefully, you have kept a record of these items or can readily find your information to submit to your Chapter's Awards Chair. The timespan you are reporting for should be from April 1, 2025, through March 31, 2026. This information has a deadline of May 1, 2026, for me to receive it. Please do not wait until the last minute to send them as the deadline is the absolute deadline. Electronic versions are certainly acceptable and are actually preferred. As we all know, the U.S. Mail is not very reliable with mail delivery. Last year an award was not presented, due to the submission not reaching me by the deadline. Please don't let this happen this year. The documents (hard copy) submitted by each chair may be brought to the convention.

On more thing to note...the Tax Rate for mileage for this year's awards is 70 cents. If you have any issues or questions, feel free to contact me anytime! Thank you, Have a Great Day!

Gail Marchant
Awards Chair

Emerging from our Cocoon

The butterfly is in the cocoon stage of life and will stay warm and safe for another couple of months. When it bursts forth and spreads its wings, we will see and enjoy its beauty.

2025 was a good year for ESA GA health wise and hopefully will continue into this year of 2026. Please remember to be sure to let me know of any sadness or sickness and especially "happiness" in your chapter.

Your Chaplain
Betsy Brimonte

E is for Education

E is for Education in our organization’s name. Did your chapter have educational programs this year? Please share them by submitting your educational booklet to me, your new Educational Director, Joy Lynn Tynes.

On our esageorgia.com website under Awards-Educational, you will find the reporting guidelines for the Gold Link Awards and the Gold Seal Merit Awards. If your chapter has had six or more programs, please report them to me.

Your entries must be postmarked by April 15, 2026, for judging. I love receiving ‘happy mail, so, please send them in on time. My judges are ready to learn from you!

These should be mailed to:

Joy Lynn Tynes, Educational Director, GSC
180 Lucky DR
Marietta, GA 30068

Joy Lynn Tynes
Educational Director

Hours, Mileage, Monies, oh My!

Hello GSC Family,

I am ready to break free from this cold weather and spread my wings with some philanthropic events. How about you? There are so many events that will be popping up all over the State, so check out your local paper to see what appeals to you.

Always remember to jot down any volunteer work you are doing to spread your wings with ESA. Make sure you keep up with your hours, mileage, monies donated, and value of items donated. Please feel free to reach out to me with questions.

Best, Susan Garner
Philanthropic Chair

Beyond the Rainbow

Hello GSC Family,
As you know, SERC President Lauren Ryan's theme this year is Beyond the Rainbow. As she noted in the recent SERC newsletter, there is a four-part virtual program that has been developed specifically for us and there is no charge.

The Rainbow Connection: Exploring Personal and Professional Skills to Enhance Well-Being. If you would like to register, click on the link in the SERC newsletter and submit your information. Closer to the date of each session, you will receive an email with Zoom instructions. If you can't attend at the specified time for each session, the programs will be recorded.

[SERC-Lauren Ryan Zoom sessions Link](#)

The 2026 SERC Conference will be held at the Holiday Inn, 5711 W. Irlo Bronson Memorial Highway, Kissimmee, Florida, on October 23-24, 2026, and the theme is "Tropical State of Mind." The Registration Form, Ad Form, and information about Bunco for St. Jude are all available on the SERC webpage.

- Registration Fee: \$160 (through 10/15/26); \$170 (after 10/15/26)
- Room Rates: \$109 (cut-off date is 9/23/26)
- Resort Fees: None (the resort fee will be taken off your bill at checkout)
- Parking: Free

Hope to see many GSC faces there 😊

Best, Susan Garner
GSC SERC Coordinator 2025-2026

"No Brainer Day" and More

"Come Out of Your Cocoon and Come Alive With ESA" is our topic for this newsletter. Since the weather has been terrible here in Pooler (snow, rainy, cold), I would have chosen to stay in my cocoon. However, during this time I have attended events outside the comfort of my little cocoon on Cardinal

Street.

The kickoff for the St. Jude Dream Home was held in Savannah in January, followed by a luncheon with a St. Jude patient and the story of her family's refusal to give up on finding medical help for their child. While I sat with the St. Jude patient during her mother's presentation, I will always remember that little girl's humorous remark about her mother getting teary-eyed, her effort to eat chicken with her good hand, and her attention span while her mother was speaking. At such a young age she was taking in every word that her mother said. That little girl was a true trooper for St. Jude Hospital. Before lunch, she even went around serving beverages to those in attendance. Her age...6. Her cancer was found at age 2. I am so glad I was not in my cocoon that day.

Some scheduled events for St. Jude Hospital were rescheduled due to our beautiful snow in Georgia. Alpha Beta's stain glass class is now the seventh of February and Kappa Rho's kites for St. Jude is March 7. Alpha Delta will be hosting their Dinner/Auction on April 18. Please support your ESA Sisters with their events. Can't attend, then make a donation to their St. Jude event.

Here is your February 27th challenge for this month...

"No Brainer Day."

Yep, that's on the list for special days in February.

Take the day off and don't think about anything. Let your brain rest. Ways to make money for St. Jude Hospital that day: Take a nap, pay \$1.00, have a cocktail...you're the waitress making the drink, tip yourself 20% and donate it to St. Jude, turn off your phone for 5 hours and donate \$5.00, don't clean anything in your house and smile about it all day... donate\$1, go to Wal-Mart and sit in your car and people watch for 10 minutes, but do not go into that store...you will save a lot of money. At the end of the day, donate enough to make your contribution total for the day of \$20 or more per member in your chapter to the children at St. Jude Hospital.

Reminder: please send all checks at one time/or one check for your entire chapter.

And, yes, "No Brainer Day" is February 27th every year.

Then, send me your "No Brainer Day" activities to be part of my year-end report at State Convention. The weirdest chapter/and/or member activity and the chapter with the most monies donated, and sent to ESAMC, will be disclosed on Friday night at convention. You can do activities as a chapter, or individually, whichever way your chapter chooses to do it. Use my suggestions and/ or make up your own. When sending in your monies to ESAMC, be sure to list it as a "No Brainer Day" event. I am smiling now, because I know my brain doesn't function half the time, so this will be an easy day for me. See you in Atlanta.

Romanda Talley
St. Jude Coordinator

Alpha Delta Chapter

GO Girls Go “Somewhere is Time”

“Come out of your cocoon and come alive with ESA.” What an interesting topic which really made me think about it. First of all, Gamma Omega has been extremely busy with ways and means projects such as the Shredding Event, Rum and Watermelon Celebration, and Stone Painting. We will be having another Shredding Event on March 30th.

We have also had several interesting Educational with “Somewhere in Time.”

For instance, we visited the 60's era in which some of us broke out doing the jerk to Wooly Bully (that was fun) and making bracelets with beads. The next program took us back in time to the roaring twenties where the presenter and one other member dressed the part as we learned about how the women fared in those days with their newfound freedom. Our next program found us dressed up for the Kentucky Derby to learn about Sea Biscuit and its trainer. Of course, we were required to dress as if we were attending the Kentucky Derby wearing hats or fascinators. Our meal and Mint Julep's were awesome.

Our next program was about searching our beginnings as we

traveled to Allendale to see pre-Clovis artifacts at the USC

Salkehatchie Exhibit. It was interesting to learn that our earliest humans settled in Allendale near the Topper Site, which came from Alaska and dated back over 13,000 years ago. We have three more programs to learn from such as the

Civil War, the Heartbeat of America play presented by the Women of Heart Board and the last program will be The Celebration Of 250 Years.

We have had several socials, but we really out did ourselves at the Christmas social as all the Hors D'oeuvres and desserts were delicious. We also had several of our Yearbooks there for our prospective members to peruse which showcased all our activities.

While preparing for the upcoming convention, we have grown and spread our wings in our commitments to Georgia State Council. We have more awareness of each other's strengths and talents. We also realized that it takes everyone to pull their share to make things happen! We have worked hard but also have had so much fun. Can't wait to see y'all in our town come May!

Theresa McGugan, President
