**Message from our President, Susie Knudson**

A big hello to all my Georgia Sisters and Brothers:

Wow, so much has happened since our last newsletter, it is difficult to know where to begin. However, I will start with all the good news. It is now officially Fall and although it still feels like Summer, we are getting some mornings that are sunny and cool. This is my favorite time of the year.

We had a very successful Leadership/Fall Board meeting on September 7th and 8th. Our venue was the Drury Hotel which was fabulous. The hotel offered both free breakfast and a happy hour with heavy snacks. This afforded a great opportunity for our members to socialize with each other, a luxury we do not always have at our meetings.

Friday night many of us went to the Shell House for dinner. The food was delicious and most everyone took home leftovers. This was also another opportunity to socialize with members we do not see often.

On Saturday, members at Leadership were tested on Parliamentary procedure, Executive Board duties, and ESA Trivia.

Presentations were given on our status for St. Jude Children's Research Hospital events, Living Green, and what it means to be a member and a state officer.

Lots of prizes were awarded.

Our Gavelette sisters in Kappa Rho and Gamma Sigma served us a great buffet lunch and the tables were set with magnolia's and black cats. I was fortunate to take one home.

We also had the opportunity to bring items for The Cove, tiny houses for veterans. What showing we had for this. The Cove credited our donations at \$3,000.00!

Our day ended with Dirty Santa Bingo and dinner at Loveolla's.

Sunday was our Fall Board meeting.

We accomplished a lot of business including approving a boat load of Standing Rule changes. A lot of awards from IC were announced and given to respective winners. As there were no glitches, we were done in about two hours!

The only downside to the weekend were all the sisters who could not be with us either due to illness or prior plans. A big thank you to all who took pictures and sent to me as our Photographer Debbie Lamp'I could not be with us.

More good news came with the ESA Foundation newsletter in September. Plateaus of Achievement were recognized in the newsletter. There were three from Georgia. Susan Garner of Alpha Beta has achieved the Bronze Level of Achievement having donated between \$250 and \$499. Both Beta Kappa Chapter and myself, Susan Knudson have achieved the Silver Level of Achievement having donated between \$500 and \$999.

The last of the "really good" news is that five Georgia sisters and brothers will be attending SERC Conference in North Little Rock, Arkansas later this month. Attendees include Joy Lynn Tynes, Ruth Ann Edge, Susan and Ernie Garner and myself.

I do want to thank the members and chapters that gave a donation for the "old bag auction" that will be held at SERC. I will have to give you a total in the next newsletter as donations are still coming.

Lastly, we had not one but two hurricanes that wreaked havoc in the southeast in the past few weeks. Hurricane Helene severely damaged parts of Florida, Georgia, South Carolina, Tennessee, North Carolina, and Virginia. We had our council sisters in Georgia and South Carolina without power and internet for days and lots of debris but luckily relatively minor damage. Then Hurricane Milton hit that really ravaged Florida. There are sisters in Florida who lost everything and North Carolina will take years to recover. This being said, I would encourage all of you to donate to the ESA Disaster Fund. I think the claims will be substantial. Susan Garner has included information on both donating and if needed, receiving financial assistance through the Disaster Fund in this issue of the newsletter. In addition to the Disaster Fund, many churches and organizations such as Red Cross and Samaritan's Purse are on the ground giving help with clearing, providing food, water, shelter, and restoration work. If you are able to contribute to any of the churches and/or organizations, please do as every dollar helps.

Until I see you soon, much love,  
Susie Knudson, 2024-2025 GSC President

## First Vice President, Ruth Ann Edge

Fall is my favorite time of year. The nights are cool and crisp, and the day time temperature is comfortable. I love the turning of the leaves, but because of the hot summer they will probably turn later than usual this year. Sadly, some of the most beautiful places to see the leaves won't be accessible this year. From Knoxville, Tennessee through the western North Carolina Mountains all you will see is the devastation left by Hurricane Helene.

So many of our members in Alabama, Florida, Georgia, Tennessee, North Carolina and South Carolina have been affected by the hurricanes, and I pray that everyone is safe, and their damage is minimal.

October is Recruitment month in ESA. Are any of the Georgia chapters planning a rush, or any kind of event to invite prospective members to? I hope you are because our membership is declining. We need new members to put life back into our organization. With new members will come new ideas, and that is what we need. We need to think outside the box when coming up with ideas to attract new members.

As your First Vice President/President Elect I want to encourage each of you to look at the Executive Positions, and decide which position you would like to have. All positions will be open for nomination except President, Corresponding Secretary and Parliamentarian. Romanda, our Second Vice President has stated that she isn't planning to move into the First Vice President Position.

If you don't want to be on the Executive Board there are many great positions on the Appointed Board. I hope you will consider taking one of those positions. We have so many talented people in our Georgia membership. I know most have done many of the jobs one or more times, but we need you to keep our Georgia State Council at the top of its game.

At Leadership/Fall Board I had the opportunity to talk to some of you about taking positions on the Executive Board and Appointed Board. I hope you have been thinking about our conversations. I will be sending out the Nomination Form and Willing to Serve Form in early January. I am hoping to get lots of replies from the membership. We can have fun, and serve ESA and our communities at the same time.

**HAPPY FALL YOU'ALL**

Ruth Ann Edge, GSC, First Vice President

## Second Vice President, Romanda Talley

Hello Georgia,

October is Membership Month. Does your chapter have plans for a fun, educational rush? Yes, an educational rush. If you are sponsoring a rush, please include the background of ESA and what rushing new members means to our organization. Include “bragging time” about all the philanthropy that your chapter does each year. Please let me know if your chapter has a membership rush during October, or another month.

ESA Headquarters has an October 21 Facebook live event. Also, any member can now go directly to membership. Go to [epsilonsigmaalpha.org/Membership Director](https://epsilonsigmaalpha.org/Membership%20Director)

I have set a goal this year for at least five (5) new members in Georgia. So far, we have two. For all the chapters that get at least one (1) new member this year, you will be invited to my “Membership Party” on Thursday afternoon at State Convention. Yes, chapters, not just the person that pledged a member. More to come on the event time and location at convention.

Enjoy 2024-2025 in ESA. We are a special group. Let’s show Georgia how special we are by increasing membership in Georgia ESA.

Romanda Talley, Second Vice President, GSC

## Recording Secretary, Theresa McGugan

Thus far, I’ve been engaged with the wrath of fall hurricanes. My heart was troubled with the massive damages of Florida, Georgia, North Carolina, South Carolina, Tennessee, and Virginia. In fact, yesterday was a clean-up day for my brother, Eddie, since he had more than 15 trees down on his property. He was lucky that none fell on his home as both neighbors on either side of him suffered tremendous damage to their homes. Our family is the bomb, we are loud, caring, and the best cooks too! The last time we pulled together was at the ice storm...

Other than the damaging winds, I just love fall, the cool weather and the colorful leaves; but anyone that knows me well know that the Christmas Season is my favorite. But back to fall, this year Gamma Omega decided to vacate to Hilton Head, SC for a mini vacation. We will be leaving on the 24<sup>th</sup> of this month. I believe there will be more bonding on this trip. Happy gals equal busy worker bees.

Yes, I know October is rush month but we put it off until December! Yes, we’ll have Peppermint Martinis and Gingerbread Martinis...we got it down pat! Grin

Theresa McGugan, Recording Secretary

## Treasurer, Sheryl Gootee

Good afternoon, I still have no internet. Trying to write this from phone in car. My prayers to all that was affected by the devastation of hurricane Helene.

**Remember: Just breathe.**

“You are strong enough to handle your challenges, wise enough to find solutions to your problems, and capable enough to do whatever needs to be done.” *Author, Lori Deschene*

I want to remind each chapter that your council dues are payable by August 31<sup>st</sup> (half or full) **with the other half by January 31<sup>st</sup>**. Your chapter Treasurer should have access to your chapter roster on the ESA website ([www.epsilonsigmaalpha.org](http://www.epsilonsigmaalpha.org)) The current state dues are \$30 per each jewel pin member. **Please forward your chapter check and a current roster to me.**

Sheryl Gootee (803-944-7640)  
1538 Prosperity Hwy.  
Prosperity, SC 29127

Sheryl Gootee, GSC Treasurer 2024-2025

## GSC Corresponding Secretary, Karen Smith

Hello My Friends,

It has been a time of reflection this fall.

The winds of winter are coming but there is warmth in our circle of friends and hope that everyone will be made whole again...kitties are resilient and loving!!!

Stay safe!

Karen Smith, GSC Corresponding Secretary

## Jr. Past President/Disaster Fund Chair

Hello GSC Family, Oh my, what devastation the Southeast has had in the past few weeks. It is so heartbreaking to see all the reports on the news. ESA's Disaster Fund is available to members in need. I am including the IC Disaster Fund Guidelines and Application forms for your convenience.

Please feel free to reach out to me if you need assistance with these forms or if you need specific items, please let me know.

Also, please continue to send your donations to me. The check(s) should be made payable to ESA International Disaster Fund and mailed to me at 2015 Daniel Road, Villa Rica, GA 30180. I will then turn around and forward them to the IC Disaster Fund Chair. Many thanks!!!

Susan Garner, Jr. Past President/Disaster Fund Chair

## Parliamentarian, Joy Lynn Tynes

Purring along with Aunt Edith and Joy Lynn

My Aunt Edith, Aunt “ESA”, was so delighted to meet everyone at Fall Board! She has a few words that she would like to share with you.

“What a delight it was to be with each of you at Fall Board. Jimmie Joy was my best friend and I was so proud of all the good things that she shared with you as you all worked and played in the name of ESA. Now I am happy that Joy Lynn is carrying on the family tradition of service to others.”

Joy Lynn and her committee members Pat Griffin and Gail Marchant did a nice job of reviewing the Standing Rules for your approval. It was lovely to see that you used the term *seriatim* to accept the changes.

I love reading the inspiring thoughts of Helen Steiner Rice. She shared these words,

“The more you give, the more you get. The more you laugh, the less you fret.  
The more you do unselfishly, the more you live abundantly.”

By being an ESA'er and taking part in your chapter, state, regional and international project, you will certainly have a life filled with moments to remember. Set your goals and work toward them. Participate with your time and effort to achieve their aims. Communicate your good actions with others. Share these with all communication tools of the 21st century. This will spread the name of ESA quickly and soon others will know about your good works and strive to become a part of this organization, this family that we all love so much.

Joy Lynn wanted me to remind you that your thoughts on any Bylaw revisions should be sent to her at [citynes@bellsouth.net](mailto:citynes@bellsouth.net) by January 10, 2025. Her committee will review them and present them to the Executive Board at their Mid-Year Meeting. Thank you for your help.

Now I would like to share the following tips and reminders for our leaders to help their meetings run smoothly.

- Follow the agenda to keep the group moving toward its goals.
- Let the group do its own work; don't over command.
- Control the flow of the meeting by recognizing members who ask to speak.
- Let all members speak once before allowing anyone to speak a second time.

As the Thanksgiving Holiday approaches, remember that your ESA is all around and be thankful that you are a part of such a loving family.

Joyfully, Purring along, Joy Lynn, GSC Parliamentarian

## Philanthropic Chair, Sherrie Bordeaux

Good afternoon to you all. I certainly hope you weathered Hurricane Helene without too much damage. It was pretty rough here in my little town of Batesburg-Leesville. Tons of huge trees down and no power or internet for more than a week. I had no power for five days along with five Leland Cypress trees that came down. There is still a whole lot of debris that needs to be cleared from yards and roads. However, let us not forget the people who are still without water, power and food. Many of them still cannot be reached. We've had a lot of people here in Batesburg-Leesville who have taken supplies to North Carolina. Let us all be thankful for what we have. We have many ESA Sisters in Georgia, South Carolina, North Carolina and Florida who need our help. As most of you know, Florida got a double whammy with both Hurricanes Helene and Milton. There are many organizations that your chapter could donate to and help with these disasters.

Whatever project you choose, please keep up with your hours, monies, and miles. It's always exciting to see what the chapters have done during the year.

Remember our President's Projects - Hope for Heroes and Living Green (Recycling). IC Projects include: Easter Seals; St. Jude Projects; ESA Disaster Fund; ESA Foundation; Hope for Heroes and the IC President's choice for her philanthropic endeavor. State, Civic and Other Projects are also included on your philanthropic form: volunteering or donating to any local or national non-profit organization, including religious organizations, i.e.: Salvation Army, Habitat for Humanity, Nursing Homes, Local Schools, Boy/Girl Scouts, Goodwill, Shriners, Church Thrift Shops etc. You cannot include your Church specifically.

The Philanthropic Georgia State Guidelines and form can be found on the Georgia State Website and the IC Guidelines can be found on the IC Website.

Please do not hesitate to contact me if you have any questions. See you at Mid-Year in February, 2025.

Happy Halloween, Happy Thanksgiving, Merry Christmas and Happy New Year.

Sherrie Bordeaux, Philanthropic Chair, 2024-2025

## St Jude Chair, Romanda Talley

Happy Fall to Everyone,

I must say the weather is now a typical Fall Day and some of us here in the Coastal Area are still cleaning up from the hurricanes, but we were so blessed with minor damage. Unlike our friends in Florida and Western North Carolina, we have homes. Please keep them in your prayers.

I will be meeting with our St. Jude Rep next week about our next St. Jude Home here in Savannah ... and moving our office again. More on the Dream Home after meeting with our Rep.

The Dream Home in Columbus, GA had their "ground breaking" and as soon as their new Rep gets in touch with me, I will have more information for you. The same goes for the Atlanta Dream Home. While I realize the DH in Columbus will entail driving, we can do it. We will be asking the Alabama Council to cover for us for State Convention and another weekend during the campaign. So, the DH in Columbus will only be approximately 2-3 weekends for us. More on that later.

Thank you to those of you that signed-up to be part of the Dream Homes in 2025. We can do it.

\*\*An extra little reminder: October is Breast Cancer Awareness Month. Wear PINK and show your support for those in our organization and throughout the world that have experienced such a painful time in their life.

Happy Halloween and enjoy your Thanksgiving with family and friends.

Romanda Talley, St. Jude Chairman, GSC

## Wanda Price, Association of the Arts Co-Chairs

Hello Everyone, I pray all of you are safe and recovering from the wrath of Hurricane Helene. Just a little reminder when things do return to some sort of normality, to start gathering some ideas about your entry in the Association of the Arts at Convention 2025. I know this is not the time to think about arts and crafts when so much disaster has been dealt to so many.

The one thing we all have on our side is that we are all sisters in ESA and we are here for each other. That is a beautiful piece of Art Work in itself.

May God bless all of you,

Wanda Price Association of the Arts Chairman 2024-2025

The holiday season is almost upon us. Christmas has been in Hobby Lobby and elsewhere for nearly two months. The holiday season can result in a lot of “leftovers” that could end up as waste. This year think of the green motto “Reduce, Reuse and Recycle” when preparing for the season. This issue will focus on Christmas Cards.

Reduce your usage of paper cards by sending ecards to as many as you can. This would also pertain to Christmas Party invitations – send them by email.

If you normally receive paper cards at Christmas, you can reuse them in several ways. Cut off the front panel and use for post cards, decorating a plain bag or use them as tags for large packages. The “sayings” can be creatively cut to also use as tags or using several to decorate a plain bag.

There are also several options for recycling those cards. You can shred the cards to use as fill for all those Christmas bags. The best way to recycle is to send the front panel of the Christmas cards or any other cards you receive such as birthday, get well, sympathy, congratulations and thinking of you to St. Jude’s Ranch for Children. This organization has no affiliation with St. Jude Children’s Research Hospital. St. Jude’s Ranch has been operational for over 55 years and offers foster care services, homeless youth services, child sex trafficking services and other support services. They accept the front panels of cards but also new cards with and without envelopes. They cannot accept Hallmark, American Greetings or Disney due to copyright laws.

Cards can be sent to: St. Jude’s Ranch for Children  
100 St. Jude’s Street  
Boulder City, Nevada 89005

You can learn more about this great organization by visiting their web site: <https://stjudesranch.org/>

The next issue of the newsletter will focus on tissue paper, gift bags and light bulbs.

## Beta Zeta, Joy Lynn Tynes

**Beta Zeta- Small, but Active!** Beta Zeta is small in number, but staying active. Serving on both the Georgia State Council Executive Board as Parliamentarian and on the SERC Board as Chaplain, these last months have kept me on the computer by writing reports and working with my committee.

Service to others has taken place with support to Boys' Town, Tiny Houses, Easterseals, Camp ASCCA and the St. Jude's Dream Home.

It was an honor to work with Sherry and Vicky on the last day of the Open House at the Atlanta Dream Home. We had a nice time showing the visitors the house and even found a few minutes to chat with each other.

Also, I have been supporting some older friends by checking-in with phone calls, visits and sending hand-made cards to say that I am "thinking about you."

Whether our chapters are small or large, each of us can share a word of hope, strength and encouragement with others and touch another's heart.

Sending Thanksgiving blessings.

## Delta Iota, Susie Knudson

The theme of this newsletter is "Fall Engagement" and Delta Iota has already been very busy. Six members attended the Leadership/Fall Board Meeting. Shirley Sams and Betsy Briamonte brought so many items for The Cove that it would not all fit in the car. All other members also contributed significantly to the cause. Shirley won the 50/50 raffle but then turned around and donated it all to Georgia State Council – what a woman!

At our October meeting at Stephanie's, members brought items for two of our local philanthropic projects – SHARE House in Douglasville and Must Ministries in Marietta. For SHARE House the chapter donates \$100 but also donates needed items. This year we selected to bring paper products. SHARE House is a safe shelter for woman and their children escaping domestic violence. Must Ministries has a Thrift Store to aid the homeless. Homeless persons can shop for free. Delta Iota uses this as an opportunity to clean out our closets of both men and women's clothing, coats and shoes. This year it would not fit in just the trunk of Ruth Ann's car.

Later this month Ruth Ann and I will be attending SERC in North Little Rock Arkansas. I will be taking chapter members donations for the "Old Bag Auction". Lastly, Delta Iota is celebrating 50 years in ESA. We thought we would celebrate by going to Wetumka to gamble but as that fell through we are planning a trip to the Big Red Door Winery in November.

## Delta Omega, Luanne Langmo

Delta Omega update:

Sharon was without power and water for a number of days in Aiken. She has power and water, but no internet as of 10/6. Aiken was the hardest hit county in South Carolina. Luanne just had small branches/leaves down from the wind in Charleston.

We were planning on taking a trip up Hwy 1 to Richmond, VA the end of next week. We are not going to interfere with any recovery operations so are canceling that trip and donating the money we would have spent on gas, food, lodging, attractions, etc. We have chosen Second Harvest Food Bank of Northwest North Carolina and Samaritan's Purse for our donations. They both have 100% 4-star ratings. We hope everyone is snug with no issues by now.

Take care, Luanne

## INTERNATIONAL COUNCIL DISASTER FUND GUIDELINES AND APPLICATION

### PURPOSE

The purpose of the ESA International Council Disaster Fund is to assist an ESA member whose home and/or personal belongings are destroyed or damaged extensively by one of nature's causes -fire, flood, etc. Assistance may also be given when a member incurs heavy financial responsibility due to a debilitating illness or accident, which involves the member or their spouse or *immediate family who resides in the home due to physical or mental impairment whom they have legal guardianship over and are legally responsible.*

The need for assistance must have occurred in the current ESA year from **June 1 to May 31**. This timeline is **NOT** the same as the International Council ESA year which is August 1 to July 31. However, the ESA International Council Disaster Fund Committee works together to ensure that any claims submitted **after May 31** will be reviewed and whether approved or denied, will be listed on the following year's report.

Following receipt of an application, the International Council Disaster Fund Chair will review with the Committee, comprised of the IC Disaster Fund Chair, the IC President, and the IC First Vice President/President-Elect, and will make the final determination regarding the claim. In the event a member requests additional help after one claim has been paid, the ESA International Council Disaster Fund Committee **MUST** investigate the application thoroughly. **The Disaster Fund is not an on-going source of assistance; a second claim will not be paid for the same illness or accident.** If the International Disaster Fund Committee establishes that the additional need is valid, the application must be submitted (along with the information regarding the reasons for the additional claim) to the ESA International Council Disaster Fund Chair.

### WHO IS ELIGIBLE TO APPLY

- 1 Active Members of 90 days or more.
- 2 Members-at-Large who are in good standing with Headquarters.
- 3 Life Active Members will be determined by the IC Disaster Fund Chair in agreement with the IC President and First Vice-President/President Elect.

### AMOUNT OF ASSISTANCE

\$8,000.00 is the maximum amount given to a member for a Disaster Fund claim. Every consideration will be taken when determining the total amount that will be paid to the claimant. The ESA International Council Disaster Fund Chair will determine the total amount to be paid based on the nature of the claim. The International Council Disaster Fund Committee will review the claim and make the final decision if there is some doubt as to the amount to be paid.

# INTERNATIONAL COUNCIL DISASTER FUND GUIDELINES AND APPLICATION

## HOW TO APPLY FOR ASSISTANCE

- 1 An application MUST originate from the member involved, even if the member is MAL. See #3 for additional information.
- 2 All information requested on the application MUST be completed or the application will be returned. Dollar amounts must be given as requested on the application form. Additional pertinent information, which would help the IC Disaster Fund Chair in reaching a decision, should be included in an accompanying letter.
- 3 If assistance is needed due to a terminal illness, it is recommended that the request be made as early as possible. A claim initiated before or within 30 days following the death of a member will be paid to the surviving family providing it meets all other criteria.

## ESA IC DISASTER FUND GUIDELINES

Send all claims **directly to ESA IC Disaster Fund Chair** for review. (To comply with HIPAA guidelines, **DO NOT** send Applications to the Chapter or State President.) All claims must be submitted on a valid form in compliance with the IC Disaster Fund Chair Guidelines.

Things that **do not qualify** for assistance under these guidelines:

- anything in the home damaged or needing repair that does not pertain to a Natural Disaster,
- broken pipes, flooding in home,
- remodeling for medical issues,
- co-payments other than medical bills,
- divorce,
- unemployment,
- furnace/air conditioning replacement,
- funeral expenses,
- housing (house payments, hotel bills) etc.

## NOTE:

The ESA IC Disaster Fund Application should be completed according to the guidelines listed above. Once the Application Form is completed and has been signed by the member, the Application Form, **and any additional information** (e.g., proof of the reason for the claim) should be sent to the International Council Disaster Fund Chair (currently the IC Past President Mentor).

The 2024-2025 IC Disaster Fund Chair is:

Terri Olson IC Past President Mentor 1361 Lake Drive W., Apt. 329 Chanhassen, MN 55317-8623	Email: terri.mneas@gmail.com Phone: 612-578-5003
