## Wanda Price, President, Georgia State Council, ESA 2022-2023

As this is our last newsletter for my year as Georgia State Council President 2022-2023, I have reflected on the “Memories Composed” this year.

First, was the opportunity before I was installed as President to go to Colorado for Leadership. That was one memory I call a happy one once the airplane wheels touched the runway full of snow and ice without a hitch.

Next, was the memory of a beautiful installation that was given to me by my Kappa Rho sisters. Thank you, Romanda Talley, for all you did to make that a special memory.

Then on to the memory of the IC Convention in Indiana. I felt so honored to represent Georgia and carry our State Flag. Also, our “Georgia Night Out” with my Georgia State ESA Sisters and Brother who attended IC was so relaxing and fun; even if we were still “masked” to avoid Covid. Oh well, that didn’t really help a lot. Ask those that came home with Covid. A special thanks to Sharon Smoot and Frank Griffin for all their patience as our Uber drivers.

Next, was September and Leadership/Fall Board in the beautiful north Georgia mountains. A beautiful weekend of Sisterhood, Italian and country food, wine, bingo, a speaker from a Women’s Center, a meeting that included good music performed by some very talented ESA members, and last, but not least, rocking chairs. Life was good where “The Hills Were Alive.”

Our Midyear Meeting in February in Aiken was a good example of how ESA Members can go to “Plan B” in a hurry. Who would ever have thought that we could raise money for St. Jude by walking in the halls of a hotel, complete with refreshments. What a great event and to cap off our meeting our Executive Board entertained us once again...this time with a rendition of Georgia’s SERC Bid in Florida. Gennie started that rendition with her beautiful audio visual. Gennie, thank you for such a beautiful audio visual of our great state of Georgia

This has been a whirl-wind of a year and I have learned so much. Our Georgia ESA year has been so successful...we exceeded our 50/50 St. Jude goal, helped abused women, reached out to Veterans, Easter Seals, Disaster Fund, and so many other philanthropic areas of need. Keep “Composing” for those less fortunate.

My Georgia State Council Hero is Romanda Talley. She has been there for me every step of the way this year. I would never have made it this year without her expertise and knowledge of all the ESA ins and outs. Thank you, Romanda for being there for me. **YOU ARE MY ESA HERO!**

Now, “the end for this Georgia ESA year is near and I know for sure Delta Iota will have a wonderful Convention, that’s for certain.” I hope to see each of you at the 2023 State Council Convention in May where we will “Rock N Roll.”

**Hugs,**

**Wanda Price, President, Georgia State Council, ESA 2022-2023**

## ♪ CHAPLAIN'S CORNER: Kaye Genovese

I am so saddened to let you know that Jimmie Joy Tynes, Beta Zeta, passed away. I am including a note from her daughter, Joy Lynn Tynes for you.

Jimmie Joy was a 64 year member and a delightful lady. Many memories flood my thoughts of her as I have known her since 1971. One of my best memories of her was when I installed her as Cobb County Council President, and also the many Christmas parties of Delta Iota she attended.

As a 64-year member of Epsilon Sigma Alpha, her philanthropic endeavors were many. She served as a judge for St. Jude Capture for Kids, worked for and in the office of Easterseals, organized "Hats for Hope" events and much more. She served many officers on the State Board and Southeastern Regional Council and was named Woman of the Year.

May God Bless her soul and give peace to Joy Lynn.

## Susan Garner, First Vice President

Hello ESA family! Well, I have a lot to share with you in this newsletter! I attended IC Leadership in Denver, CO and what a fun experience! I want to sincerely THANK the Georgia State Council for sending me on this adventure. I arrived on Thursday afternoon and attended the welcoming party that evening.

It was up early on Friday for an all-day schedule of workshops. As you can see in the first picture, I was on Denise Holdaway's team (current IC President) and all of the teams were tasked with building a structure in 20 minutes, using only spaghetti noodles, string and tape. The tallest structure that could hold a marshmallow at the top won. Sadly, we didn't win but we worked hard as a team and tried our best!

The second picture is from Friday night's Music Bingo dinner (I'm Elton John in the middle if you couldn't tell). There was a costume contest and . . . **I WON!!!**

Saturday was a continuation of loads of information on (1) different marketing and communication strategies and how to use them (i.e., marketing is information shared with community and new members, and communication is information to share with current ESA members), (2) storytelling basics (for example, a better way to explain an ESA event: have a beginning-why did you have any event?, middle-what happened at the event?, and end-what was the result?), (3) defining the purpose of YOUR story (find your story and make sure its relevant to who you are sharing it with), (4) helping others share their message, (5) various types of software you can utilize for scheduling, making a digital business card. Some types of software that were shared: Rocketbook, Canva, Dropbox (scheduling, etc.) and HiHello.me (to create a digital business card). Beth Perkins with ALSAC/St. Jude spoke to us about the importance of getting registered at [volunteer.stjude.org](http://volunteer.stjude.org) so that VMS can track our hours. Remember that each volunteer hour is worth \$29.00. She also told us that since the pandemic, ALSAC's group of field people been reduced by 65. Therefore, she asked that we all show grace when trying to communicate with them with our local ALSAC office.

*(Continued on next page)*

One very important information from IC is that our annual membership dues will be going up beginning June 2023. It has been 11 years since an increase. It was just a matter of time before they were going to have to do this, so hopefully you won't be too surprised. IC headquarters will be sending a more formal notification to all members by email and regular mail. The new annual fees are listed below:

- New community & collegiate fee will be \$79.00
- New legacy & Elan fee will be \$59.00
- Regular community & collegiate will be \$59.00
- Senior (65+) will be \$55.00

Finally, I just want to say thank you again. I saw some familiar faces and met a whole lot of new people. I appreciate having this opportunity to represent Georgia and I look forward to seeing all of you at our State Convention in May.

### **Romanda Talley, GSC Corresponding Secretary 2022-23**

My Georgia State Council Hero...

Everyone has a special person in ESA that they always look-up to or can share little secrets, or even sit and have a cocktail together. Mine is Gail Gilvin. Gail and I not only shared many ESA moments, but, oh, those road trips...Miss. State and Georgia game, Miss. State Bowl game in Jacksonville, FL in her RV, ESA bus trip to St. Jude Hospital and those awesome Bloody Marys that we have enjoyed together. Life is great when you're with Gail.

Gail's energy for ESA and the Georgia State Council is without a doubt the one big plus in my many years in ESA. She has made me want to "be like Gail", ... warm, kind hearted, concerned, a leader, positive, welcoming, and most of all a true friend for life. A true friend that gave up her bed for Talley and myself, and even let Chenoa come along, for a beautiful party in my honor when I was President of the GSC. (That was 43 years ago.) She is the epitome of virtue, honor, truthfulness, friendship, and loveliness and I am so blessed to be a part of her world. GO DOGS!

A reminder from Wanda's Gopher...please have a copy of your report for our Recording Secretary and myself when you give your report at Convention.

It is so strange to know our 2022-2023 year is coming to an end soon. Thank you for all you have done to help me as Wanda's Corresponding Secretary; especially, to Gennie Gilvin that has always said yes to my many requests and to Sherry Presley, for being there for me. Last, but not least, my dear friend Wanda that had faith in me to "do the job" as Corresponding Secretary...we have "Composed MANY Memories in ESA.

## Greetings from Recording Secretary, Ruth Ann Edge

President Wanda asked the GSC Board to pick a person in the Georgia Council that they think of as a hero. I know so many who are a hero for all the work and time they give to ESA and all its causes. I have been a member in the Georgia Council for eight years, and there are still several of my ESA Sisters and Brothers that I don't know well, but I know they are dedicated to ESA and the work we do for St. Jude and our communities. I really can't pick out one person as my hero. I think each of the Georgia

Council members are heroes for working tirelessly to raise money for St. Jude, Hope for Heroes, Battered Women's shelters, and so much more.

Each member has their own unique talent. Some are leaders, some are problem solvers, and others just work quietly behind the scenes to get the work done. When everyone works together, we are successful in our endeavors.

I feel blessed to be in the presence of so many heroes. I just hope I can measure up to the standards you have set. You have set the bar high, and I am honored to work alongside you.

### **My Mother, Best Friend, and ESA Sister Jimmie Joy Tynes**

Mother's, Jimmie Joy's, love was like no other. It lifted me and others and kept us grounded. It allowed me to take pride in my accomplishments and taught me to be humble. It was definitely "the wind beneath my wings." Her love encouraged me to laugh and to be the best I could be.

Thank-you, my sweet Mother, best friend, and sister.

My heroes are Wanda Price and Romanda Talley. I had to say two people. These ladies will give it their all, to do what they can to be there for you. I have known them for many years, and given a task to do, they will jump on it. There are no better friends than these two ladies and officers of ESA.

### **Delta Omega**

Your new Georgia State chapter, Delta Omega, has been doing our DO girls work.

We just finished our Educational theme, "Lovin' the Low Country" to celebrate our Charleston connection.

We created a successful FUNdraising for St.Jude Snail Run before co-hosting the Mid-Year meeting and doing our on-going volunteer work for local charities and veterans support groups. One of our members recently returned from Italy, which was call her "gelato trip" and then spent some DO time together for a few days on Hilton Head relaxing, eating, shopping, etc. Looking forward to May for time with our Georgia friends and then traveling to Texas for our July IC meeting.

## Kappa Rho Chapter

This has been a fun year. We began the year with our own Wanda Price being installed as President of the Georgia State Council and Romanda Talley as her Corresponding Secretary. Followed in June with our own chapter installation of Cathy Quick as our President.

Kappa Rho Sisters have worked with Hope for Heroes by helping to put out 28,000 flags at the Mighty Eighth Museum in Pooler and then down to Glenville, GA to help place our wreaths on the graves of our military heroes.

We helped with the reforestation of our national parks by donating 50 trees to the parks that have been destroyed with fires, etc. Of course, we did not forget our furry friends at the Humane Society by donating to their food and cleaning programs. At this time, we are in the middle of ticket sales for our Dream Home in Savannah. These are just a few of our many projects for those in need or to those that just need a comforting thought like the cards we sent to our soldiers.

This year we have combined many of our educational and philanthropic projects with our socials. Our social to the Breakfast Club on Tybee Island was combined with our visit to the new Tybee oceanography museum and our trip to Glenville for the placing of wreaths was combined with shopping and lunch in the little town of Glenville.

Our next big adventure will be in May when we celebrate with all our Georgia members at convention. Hope to see all of you at the park in McRae, GA.
